THE POSTAL TELEGRAPH-CABLE COMPANY (INCORPORATED)

TRANSMITS AND DELIVERS THE WITHIN TELEGRAM SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:

To guard against mistakes or delays, the sender of a telegram should order it REPEATED; that is, telegraphed back to the originating office for comparison. For this, one-half the standard telegram rate is charged in addition. Unless otherwise indicated on its face, THIS IS AN UN-REPEATED TELEGRAM AND PAID FOR AS SUCH, in consideration whereof it is agreed between the sender of the telegram and this Company as follows:

1. The Company shall not be liable for mistakes or delays in the transmission or delivery, or for non-delivery of any telegram received for transmission at the UNREPEATED-MESSAGE rate, whether caused by the negligence of its servants or otherwise, beyond the sum of FIVE HUNDRED DOLLARS; nor for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the REPEATED-MESSAGE rate, beyond the sum of FIVE THOUSAND DOLLARS; nor for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the SPECIALLY VALUED MESSAGE rate, beyond the sum at which such message shall be included, in writing, by the sender thereof when tendered for transmission and for which payment is made, or agreed to be made, of the amount of the repeated-message rate and an additional charge equal to one-tenth of one per cent of the amount by which such written valuation shall exceed five thousand dollars; nor in any case for delays arising from unavoidable interruption in the working of its lines, or for errors in cipher or obscure messages.
2. The Company is hereby made the agent of the sender, without liability, to forward this telegram over the lines of any other company when necessary to reach its destination.
3. Messages will be delivered free within one-half mile of the Company's office in towns of 5,000 population or less, and within one mile of such office in other cities or towns. Beyond these limits the Company does not undertake to make delivery, but will, without liability, at the sender's request, as his agent and at his expense, endeavor to contract for him for such delivery at a reasonable price.
4. No responsibility attaches to this Company concerning messages until the same are accepted at one of its transmitting offices; and if a message is sent to such office by one of the Company's messengers, he acts for that purpose as the agent of the sender.
5. The Company shall not be liable for damages or statutory penalties in any case where the claim is not presented in writing within sixty days after the telegram is filed with the Company for transmission.
6. It is agreed that prompt and correct transmission and delivery of this message shall be presumed in any action for recovery of tolls therefor subject however, to rebuttal by competent evidence.
7. Special terms governing the transmission of messages under the classes of messages enumerated below shall apply to messages in each of such respective classes in addition to all foregoing terms.
8. NO EMPLOYEE OF THIS COMPANY IS AUTHORIZED TO VARY THE FOREGOING.
