CONSUMPTION!

Bates' Consumption Pills are acknowledged as a positive cure for Consumption and Catarrh in all stages. Physicians use them in their practice secretly. Send for pamphlet of home cures of Ministers, Lawyers, Doctors, Business Men, in fact, people in all stations of life.

From Deacon A. P. Nash.
 NORTH WEYMOUTH, MASS., July 21, 1883.
 My daughter was troubled with Catarrh for a number of years, finally it settled on her lungs. She became alarmed and applied to an eminent physician, who examined her, and said her lungs were very badly diseased. She had to keep her bed nearly all the time; she could find nothing to help her. I procured some of Bates' Consumption Pills. She took them, and commenced to improve. She is now in good health, and has been for some time. I am acquainted with many people who have been saved by these Pills, after being pronounced in the last stages of Consumption by the best lung doctors in Boston. I would advise all afflicted to use the Pills.

Truly yours, ABNER P. NASH.

From a Minister.

R. T. BOOTH, Esq., New York.

DEAR SIR: I sent you one dollar about ten days ago for one of your pocket inhaler outfits. It came to hand last Friday morning.

Mrs. Honey had been suffering severely for three weeks daily with asthma. As soon as the inhaler came she began using it, and after a few inhalations the asthma ceased, and now (Tuesday) it has not returned. She has had this trouble ever since she was seven years old, and is now forty, and we have spent hundreds of dollars in search of relief, purchasing everything we saw advertised. When you consider all this, I think it is the most remarkable thing that once using the inhaler should remove the trouble entirely.

Very truly yours,

(Rev.) GEORGE W. HONEY.

WYOMOUTH LANDING, JULY, 1854.

DR. DAY.—I have suffered for many years from internal humors, which have had the effect, often, to induce severe sick-headache, accompanied with nausea. I have, also, suffered much, every warm season, from Dysentery and Diarrhoea, till at length I had all the symptoms of deep-seated consumption. My case seemed very critical, and it was thought very doubtful, both by myself and my friends, whether I should ever be any better. But, thanks to a kind Providence, a few weeks since I had my attention called to your great medicine for the blood, and soon after I began to take it, began to feel my strength increasing, and my health every way improving. I am no more troubled with my head, as formerly, and have thus far escaped the Dysentery, my sure visitant in summer in years past, for which I feel grateful. I am so much better than I have been, that I am still using the SANGUINALO, with the confident expectation that it will, ere long, restore me to perfect health. That it may prove as great a blessing to many others as it has to me, is the wish of

BUFFALO LITHIA WATER

Is Offered to the Public Upon its Record of Results Accomplished. Nothing Save an Actual Test can be more Satisfactory to the Patient than the Testimony of Eminent Medical Men who have Repeatedly Tested its Merits in Bright's Disease, Albuminuria, Renal Calculi, Inflammation of the Bladder, Gout, Rheumatism and Uric Acid Troubles.

Dr. Roberts Bartholow, former Professor Materia Medica and General Therapeutics in Jefferson Medical College, Philadelphia, and author of "Bartholow's Materia Medica and Therapeutics" and other well-known medical works, says: "It is used with great advantage in Gouty, Rheumatic and Renal Affections."

Dr. G. A. Foote, of Warrenton, N. C., ex-President Medical Society of North Carolina, formerly Member of the State Board of Medical Examiners, and also of the State Board of Health. After reporting remarkable relief obtained from the use of this water in a case of **CHRONIC BRIGHT'S DISEASE** in his own person, Dr. Foote says: "From this experience in my own case, and observation of its action in similar cases in patients for whom I have prescribed the water, I have no hesitancy in expressing the **BUFFALO LITHIA WATER** is the most powerful of known remedies in this distressing malady so difficult of treatment."

Geo. Halsted Boyland, A. M., M. D., of Paris, Doctor of Medicine of the Faculty of Paris, says: "There is **NO REMEDY SO ABSOLUTELY SPECIFIC IN ALL FORMS OF ALBUMINURIA and BRIGHT'S DISEASE**, whether acute or chronic. **BUFFALO LITHIA WATER** Spring No. 2, accompanied by a milk diet. In all cases of **Pregnancy** where Albumin is found in the urine as late as the last week before confinement, if this water and a milk diet is prescribed, the Albumin disappears rapidly from the urine and the patient has a positive guarantee against Puerperal Convulsions. Used as a substitute for ordinary water during the period of Gestation it will be found invaluable as a preventive of Puerperal Convulsions and other disturbances incident to this condition.

BUFFALO LITHIA WATER, THE STOMACH WATER OF THE AMERICAN CONTINENT.

Its Power as a Nervous Tonic and Exhilarant.

DR. HARVEY L. BYRD, OF BALTIMORE, PRESIDENT AND PROFESSOR OF OBSTETRICS AND DISEASES OF WOMEN AND CHILDREN, IN THE BALTIMORE MEDICAL COLLEGE, FORMERLY PROFESSOR OF PRACTICAL MEDICINE, ETC.

"Buffalo Lithia Water is an admirable general Tonic and Restorative, increasing the Appetite, promoting Digestion, and invigorating the General Health. It is powerfully Antacid, and especially efficacious in what is commonly known as Acid Dyspepsia. It is strongly commended to a very large class of sufferers by a peculiar power as a Nervous Tonic and Exhilarant, which makes it exceedingly valuable where there is nothing to contra-indicate its use, in all cases where Nervous Depression is a symptom."

DR. G. HALSTEAD ROYLAND, PROFESSOR OF SURGERY, BALTIMORE MEDICAL COLLEGE; LATE SURGEON FRENCH ARMY (DECORATED); CORRESPONDING MEMBER CINCINNATI ACADEMY OF MEDICINE, ETC.

"I have found Buffalo Lithia Water a remedy of great efficiency in Acid Dyspepsia. Its Nerve Tonic properties are very decided, indicating its value in a wide range of Nervous Disorders."

DR. HENTER MCGUIRE, RICHMOND, VIRGINIA, LATE PROFESSOR SURGERY, MEDICAL COLLEGE OF VIRGINIA.

"Buffalo Lithia Water has very marked adaptation in Diseases of the Digestive Organs. In that condition, especially known as Nervous Dyspepsia, frequently caused by over-mental labor, and in those cases also, where there is excess of Acid in the process of nutrition, it will be found highly efficacious. It has never failed me as a Powerful Nervous Tonic when I have prescribed it as such. I sometimes think it must contain Hypophosphites of Lime and Soda. It acts as that compound does—as a Tonic and Alterative."

DR. DAVID G. SMITH, OAKLEY, VA.

"My daughter was, for many years, the victim of Nervous Dyspepsia. Her general health was prostrated, and her nervous system shattered. I carried her to the Buffalo Lithia Springs upon a bed, confined strictly to a diet of tea and crackers alternated with bread and milk."

"In thirty days after commencing the use of the water she was able to eat with perfect impunity the coarsest articles of diet, including rich desserts. I regard this water as the Stomach Water of the American Continent."

Of "Marvelous Efficacy in Gout, Rheumatism, Gastro-intestinal Dyspepsia, and in all the Various Forms of Uric Acid Diathesis."

Following is an Exact Translation of Dr. Lapponi's Testimonial as Written by Himself:

ROME, August 24, 1903.—In the Hospital of San Giovanni Calibrita (del Fatebene Fratelli) in Rome, directed by myself, I have largely experimented with the natural mineral water placed in commerce under the name of **BUFFALO LITHIA WATER** and am glad to attest that, by its richness of composition of lithia, it is of marvelous efficacy in cases of Gout, of Chronic, Articular, and Muscular Rheumatism, of Hepatic Congestions and Functional Disorders, of Gastro-intestinal Dyspepsia, of Gravel and Renal Insufficiency, of light Nephritic Affections and of all the various forms of Uric Acid Diathesis.

The same water is also to be recommended highly in the initial processes of Arterio-sclerosis and in obstinate forms of Bronchial Asthma.

May also be used as a good table water. So much I declare for the truth.

Also, under "Albuminuria," he says: "**BUFFALO LITHIA WATER** is highly recommended."

George Halsted Boyland, A. M., M. In all cases of pregnancy, where albumin is found in the urine as late as the last week before confinement, if this water and a milk diet are prescribed, the albumin disappears rapidly from the urine and the patient has a positive guarantee against puerperal convulsions."

CONQUERED

CATARRH CAN BE CURED.

If you have failed to get relief do not despair, but try **COMMON SENSE CURE**. Our method of direct and continuous medication of the whole respiratory system will cure you. Simple remedies are often times the best. When medical skill fails to cure, Physicians advise a change of climate. A short visit to places of high altitude will cure or give relief simply because an excess of ozone pervades the air, and the application is continuous. Our **COMMON SENSE CURE** is a successful method of imitating nature's greatest remedy. **COMMON SENSE** says that an occasional smell from a bottle or an occasional pinch of snuff will not cure CATARRH, etc. A remedy for disease should be sufficiently applied to be effective. It should also be mild and soothing. If it is severe, nasty, or otherwise disagreeable, ninety-nine out of one hundred will drop it after a few trials. Our **COMMON SENSE CURE** is always ready for use, and can be applied while sleeping, reading or performing any kind of labor. NO SMOKE OR DISAGREEABLE ODOR. We cure WHERE ALL OTHER REMEDIES FAIL. Sufficient medication for FIVE MONTHS! TREATMENT SENT WITH EACH CURE. Price, \$5.00; one-half (\$2.50) with order. Balance when cured or satisfactorily benefited. IF YOU FOLLOW DIRECTIONS AND FAIL TO GET RELIEF, SEND POSTAL NOTE CURRENCY, EXPRESS OR POST-OFFICE MONEY ORDER, TO ALL CORRESPONDENCE.

If you value your Life

Or the Lives of those nearest and dearest to you,

Read!

DEAR MR. CONGREVE.—As a rule, I have no faith in advertised remedies; but it must now be some twenty-five years since I saw in the person of one of my students the effects of your Balsamic Elixir. He seemed at death's door, but he lives now, a strong, hearty man. Since then I have seen in many, very many instances, the most happy results following your medicine. I do not go by hearsay, but I testify to what I have seen with my own eyes. I believe that you have saved numbers from Consumption. I have friends with coughs and weak lungs, who speak of your medicine with sincere gratitude. Personally I find it most useful in the case of wearing cough. Very reluctantly do I give testimonials for publication; but I send you this as your due. What I have seen of God's healing power through you, demands of me that I speak for the good of others. I have those around me whose health I value, and they are living witnesses that yours is a very beneficial preparation. Yours heartily,

Spurgeon.

"Westwood," Beulah Hill, England.

"What I have seen of God's healing power through you demands of me that I speak for the good of others."

The above letter from the late eminent preacher, C. H. Spurgeon, is one of thousands of testimonials to the wonderful curative properties of my **BALSAMIC ELIXIR**, which not only cures consumption, but gives instant and permanent relief in cases of Asthma, Chronic Bronchitis, Influenza and all Chest affections.

For years I have been entreated to make my remedy known in the United States, but my time has been too much absorbed by my European patients to allow this. Now, however, I have been able to extend my organization so as to bring America within the scope of my personal observation, and my desire is to make it clear to all inhabitants of the United States that they may henceforth procure from my American depot a **Cure for Consumption** which, even in the advanced stages of that terrible disease, may be used with certainty of relief.

It acts like a charm in ordinary cases of Cough, Sore Throat, Whooping Cough, Chills, &c., and should be kept in every home.

Every person suffering from Chest Disease, and all of weak lungs and delicate habit, should read my book on Consumption of the Lungs and Decline, and its successful treatment, showing that formidable disease to be curable in all its stages, with observations on Coughs, Colds, Asthma, Chronic Bronchitis; together with accounts of nearly 400 successfully cured cases, any one of which may be like yours, to be had post free for 25 cts., or the book will be sent free with every first order of \$1.00 bottle of my Balsamic Elixir.

Congreve's Balsamic Elixir can be obtained from many drug stores, but it will take some time before it will be introduced into all of them throughout this vast country. If your druggist has not yet put it in stock, it will be sent you, carriage paid, from my own depot, on receipt of \$1.00, \$1.75, \$3.75, or \$7.00, according to the size of the bottle ordered.

A Favorite with Physicians

The reluctance with which the regular school of medical practitioners are occasionally induced to prescribe what is popularly termed a "patent medicine," is not, we fear, without good foundation. In this particular the English doctor is, perhaps, more conservative than his brother in the United States, yet with wonderful unanimity they unite in praising Beecham's Pills, and use them constantly in their practice. Beecham's Pills are, of course, an article of rare and exceptional merit. They have the largest sale of any proprietary article in the world. For *disordered liver, weak stomach, poor digestion, and sick headache*, they are incomparable. They act like magic, bringing back almost *immediately* the keen edge of appetite, restoring long lost complexion, and rousing the whole human frame to renewed health and energy.

SPECIAL.

Beecham's Pills are now being introduced into the United States through their agents, Messrs. B. F. ALLEN & CO., 365 and 367 Canal Street, N. Y., who, if your druggist does not keep them, will mail you a sample box on receipt of 25 cents.

DR. C. L. BLOOD,
THE INVENTOR OF THIS REMEDY,
HAS GIVEN IT IN

OVER 25,000 EXTREME CASES

personally. A majority of these patients had been suffering for years with the diseases enumerated above, and had been hopelessly abandoned by physicians, and were considered far beyond the reach of any medicine—yet a few applications of Oxygen were only required to impart new life to their wasted systems and to restore them to perfect health.

Dr. Hartwell would say to those interested, that he has had an extensive experience with this remedy, and in offering his services to the sick he does so with the happy assurance that he can speedily restore them to health.

The opinion which so generally prevailed among all classes of people that Consumption was incurable, has been put on trial to know whether it were true or false.

This opinion has been based upon an error in its treatment, and it has been fully demonstrated that Consumption, and all its correlated maladies of the Nose, Throat, Air Passages and Lungs, could not be cured by pouring medicines into the Stomach, for the simple reason that medicines introduced into the system in this way never reached the lungs in an effective manner, but on the contrary would frequently do injury where they were designed to do good. Hence came the opinion that Consumption was incurable.

Now in justice to myself and others interested in the success of my practice, I wish it to be distinctly understood that I do not claim to cure every case of Consumption, Asthma, Bronchitis, &c., that is presented for treatment, but I wish to impress the FACT clearly that

Consumption can be Cured

by the inhalation of Oxygen if taken in time. I say this on the authority of over

3000 CASES OF CONFIRMED CONSUMPTION,

that have come under my observation in the last two years with this remedy.

Dr. Hartwell would inform Ladies suffering from any disease peculiar to them, that his treatment reaches their troubles at once.

An invitation is respectfully extended to
ALL RESPECTABLE PHYSICIANS
to call and examine this remedy, and, if desired, to bring patients that are beyond the reach of medicine to witness its instantaneous effects.

THE NAMES OF HUNDREDS OF RESPECTABLE PERSONS can be obtained at the Doctor's Office who have been cured by his remedy after they were given up by other physicians.

DR. BAKER'S FEMALE REGULATOR,

A New Discovery for the Pre-
vention and Cure of

FEMALE DISEASES

Dr. Baker's Female Regulator is the best remedy known for Womb, Bladder and Urinary Diseases and Female Weaknesses.

It is prepared especially for the prevention and cure of diseases peculiar to females—Displacements of the Womb, Inflammations, Ulcerations, Hemorrhages, Leucorrhœa or Whites, Painful or Irregular Periods, Too Profuse or Absence of Menstruation or Amenorrhœa, which are primarily produced and kept up by a condition called Congestion of the Uterine Vessels, the symptoms of which are heaviness, bearing down weight over the lower bowels, pains of an aching character in the lower part of the back, irritation of the bladder, too frequent desire to urinate and small quantity of urine passed, tenderness of the womb, cramps before and during sickness, neuralgic pains, nervous headache and disturbed sleep, choking and smothering, great fatigue on slight exertion, palpitation of the heart, &c.

Dr. Baker's Female Regulator strengthens the nerves and tissues that support the womb, improves the blood in the vessels of the womb, and removes congestion.

It purifies the blood and tones up the spinal nerves and the whole nervous system.

It cures deranged action of the kidneys, indigestion, constipation and biliousness.

It produces a clear and healthy complexion by removing costiveness and bilious tendencies.

It is of special value if taken regularly during pregnancy and the change of life.

Dr. Baker's Female Regulator is purely vegetable and can be used without danger.

To obtain the best results it should be taken regularly and long enough to get the system under its influence.

Important to Ladies.

We put in the cartoon with every bottle of Dr. Baker's Female Regulator one box of

"MONTHLY" REGULATING PILLS,

which are to be taken four days preceeding the day when the monthlies should begin.

These pills insure the menstruation to occur at the proper time and render it easy and painless.

These pills, taken without the Regulator, are an excellent remedy for painful or irregular menstruation, and, in many cases, are all that women without womb disease need.

The pills are worth 50 cents per box, but the price of the Regulator will not be advanced on account of them being included, but remain as before, strictly \$1.25 per bottle.

We will send a box by mail, to any address, postage prepaid, on receipt of 50 cents in stamps.
