Never Abandon Old Friends!!

POND'S EXTRACT

has served you many years. Rely on the old Remedy. It will never fail you; don't run after new things immensely advertised. They flourish a while and then disappear, but good old POND'S EXTRACT remains the same old, steady, faithful friend, tried and true, always uniform, never receding or misleading by sensational stories. How many articles advertised as miraculously efficient have come, had their day, disappointing thousands who have been led to spend their money on promises, guarantees, etc., and all for nothing; while POND'S EXTRACT goes right along more firmly settled every year as the **Great Family Remedy of the Country!** Do not be deluded by counterfeits. Ask for and see that you get POND'S EXTRACT.

E. D. PALMER, of Albany, one of the greatest living American Sculptors, writes us: "For 30 years POND'S EXTRACT has grown in favor with the people, while hundreds of so-called remedies have risen, fallen, and gone quite out of sight, 'up like a rocket, down like the stick.'"
