POISON

VAPOR GERM KILLER

CAUTION

The use of vaporized disinfectant is the most efficient method for the prevention and spreading of germ diseases. It is also beneficial in the treatment of whooping cough, spasmodic croup, and certain inflammatory throat diseases.

JOHN B. CHRISTGAU
Manufacturing
Pharmacist,
Owatonna, Minnesota.

A teaspoonful to a pint of water makes an ideal antiseptic solution for the treatment of cuts, sores, and disinfection of wounds.

DIRECTIONS—A teaspoonful in a pint of water. Place on stove or radiator and let evaporate. The use of this remedy does not conflict with regular treatment of physicians.

POSTAL CARD

POOLE & CO.,
Successors to the business heretofore conducted
under the name of Herman Poole,

Having heretofore made monthly visits for orders this is an apology for discontinuing regular trips. We shall call as often as possible. Most of our large output is now ordered by mail. We are making more and better Ointments, Creams, Cerates, Salves and Private Formulas than ever, with universal satisfaction. We supply the Drug Trade direct or through any wholesaler, and guarantee standard preparations. We refer to any of the 839 stores which we supply regularly. Please address POOLE & CO., and no one else, as we have lost many orders to the annoyance of our patrons, by their not being particular about the name. The street and number are 124 East 23d Street, New York. We cheerfully change any of our goods which do not entirely suit customers. We cannot afford to have any druggist buy of any one else. Best goods, lowest prices. Sincere guarantee and promptness. In this way we hold our phenomenal trade. Order by postal.

The Secret of Beauty—FREE

*A Masterpiece in color
by C. Allen Gilbert,
the well known artist.*

We will send to all users of Gouraud's Oriental Cream, a copy of Mr. Gilbert's beautiful painting entitled "The Secret of Beauty" in panel form 11 x 22 inches. It is a splendid reproduction on highly coated paper of one of the girl's figures Mr. Gilbert is noted for and is not marred by any printed matter which would prevent framing. Send 10c. in stamps to cover wrapping and postage. — We are confident you will be highly pleased with the picture and calendar and find it a valued addition to your library or den.

Gouraud's Oriental Cream

It purifies, beautifies and preserves the skin. Relieves blemishes, and gives that clear, soft, pearly white complexion so much admired. It is a liquid non-greasy preparation that nourishes the skin and protects it from the disagreeable weather of all seasons. It has stood the test for over sixty-five years.

The Following Excellent and Instructive Organists After O

THE question "What is the use of examinations" is no doubt frequently heard, and occasionally there might appear to be some justification for the query. Examinations, however, are very valuable, if for no other reason than that they lead those preparing for them to seek knowledge along lines and from sources that would otherwise be neglected. The questions

**Ingram's
 Milkweed Cream**

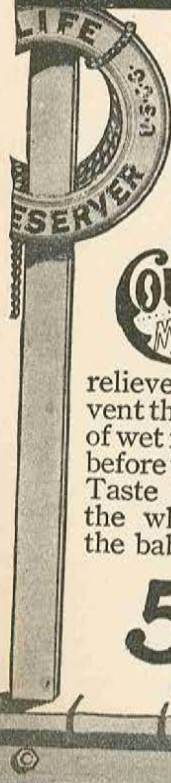

This cream is distinguished from ordinary "face creams" by the fact that it contains certain qualities that give health to the skin. It does more than merely cleanse and soften. For 25 years it has been used by particular women the world over. No other can win them from Ingram's Milkweed Cream.

"Just to show the proper glow" use Ingram's Rouge. Delicately perfumed. Safe. Comes in solid cake. No porcelain. Three shades. 50c.

Send us 10c in stamps for our Guest Room Package containing Ingram's Face Powder and Rouge in novel purse packets, and Milkweed Cream, Zolita Tooth Powder, and Perfume in Guest Room Sizes. (77)
