GRAND HAVEN, MICHIGAN.

Grand Haven, a city of 8,000 inhabitants, is the county seat of Ottawa County, Mich., and a port of entry. The city is located on the Grand Trunk, Pere Marquette, and G. R. & M. railways. It is picturesquely located on the shore of Lake Michigan, and is one of the most important ports on the east shore of the lake. It is one of the most attractive summer resorts on the lake.

Daily communication is afforded with Chicago by the Goodrich and Barry Line steamers during the summer, and daily by the Crosby Line. The city has 13 churches representing all denominations, a new high school and six ward schools of high quality, a library, good hotels, etc. The city is lighted by gas and electricity, has an excellent water works system and fire department.

Here is located the United States signal service, life saving station, weather bureau, inspector of harbor improvements, U. S. Custom House, District of Michigan, embracing the entire east shore of Lake Michigan, and a new government building will be erected in the near future. The manufactures include brass novelties, pianos, refrigerators, engines and machinery, stone, brick, gloves etc.

Grand Haven is in the center of the great fruit belt of Michigan, millions of crates of fruit, principally grapes and berries, being shipped annually. It is a great celery producer, the annual crop promising to soon exceed that of Kalamazoo itself. Fishing is also an important industry. Spring Lake, which lies adjacent, is a beautiful sheet of water, nine miles in length, and affords fine opportunities for fishing and sailing, and is a favorite haunt for pleasure seekers.
