P.L. No. 46-3946
P.L.A. No. 46-3946

Philadelphia March 6
(Do not write in date)

18 Months after date, for value received, we, the undersigned, jointly and severally, promise to pay, without defalcation, to the order of the SECURITY BANK AND TRUST COMPANY OF PHILADELPHIA, (hereinafter called the "Bank") in the City of Philadelphia, the sum of four hundred fifty

18 Months DOLLARS, the account of the undersigned borrowers with the Bank in its Personal Loan Account Department bearing the "P. L. A. No." indicated above being hereby pledged as collateral security for the payment of this note, and the holder hereof being hereby given a continuing right of set-off thereagainst.

The borrowers jointly and severally agree to increase the amount of collateral security for the indebtedness evidenced hereby by depositing promptly to the credit of the said account the sum of \$ 25.00 on March 6 1946 and an equal amount at regular monthly intervals thereafter, or at such other times as may be mutually arranged between the Bank and any of the undersigned, until a total of the face amount of this note shall have been so deposited, and the undersigned co-makers, jointly and severally, agree to make each of the said deposits promptly if the borrowers should default in making the same. As often as default is made in the performance of the foregoing covenant to increase monthly the amount of security for this note beyond the day as herein agreed, there shall be due and payable to the Bank a sum calculated at the rate of five cents for each dollar of such delayed increase therein, which sum the undersigned, jointly and severally, agree to pay to the holder hereof at or before the maturity of this note as liquidated damages.

The undersigned agree that in the event of (a) any failure to increase the value of the security for this note monthly as herein agreed; (b) any statement in the undersigned's "Credit statements," which statements are the inducement for this loan, proving to the satisfaction of the holder hereof to be untrue; (c) the death of the undersigned borrower or either of them; (d) an application for the appointment of a Receiver for, or (e) the making of an assignment for the benefit of creditors by, or (f) the filing of a petition in bankruptcy by or against, or (g) any other act of insolvency however expressed or indicated, or (h) the issuance of an attachment or the entry of a judgment against, the undersigned or any of them, then and in any such event this note, together with all sums payable hereunder as liquidated damages, shall immediately become due and payable without demand or notice, and the holder shall have all the rights and remedies herein provided in case of default, and, in addition, all balances of all deposits of the undersigned and each of them with the holder shall immediately become the subject of a set-off by such holder against this note, whether apart from this agreement this note would then have matured or not, and in any such event the holder shall be deemed to have exercised its right hereunder. Any failure by the holder to exercise any right hereunder shall not be construed as a waiver of the right to exercise the same or any other right at any time and from time to time thereafter. Upon this note maturing under any of its terms and provisions, and not being fully paid and satisfied on the day of its maturity, the amount thereof, together with any unpaid liquidated damages as herein provided, shall be charged against the above mentioned account of the undersigned borrowers, (the holder being hereby authorized, as pledged, to give any notice, or take any other action, required by law, to render said deposit account available for said purpose) and if same shall not be sufficient or available, to fully pay and satisfy the indebtedness represented hereby and unpaid liquidated damages the unpaid portion thereof may be forthwith charged against any account or accounts maintained by either or any of the undersigned co-makers with the holder hereof, without demand or notice or further consent from the undersigned or any of them, they and each of them hereby agreeing to be and remain jointly and severally liable for all indebtedness represented by this note remaining unpaid, and unpaid liquidated damages, if any.
